A Message from the MSO Board of Directors

To all athletes:

Congratulations and thank you to the athletes and volunteers who joined Michigan Senior Olympics in Kalamazoo for the 27th Annual Summer Games. What a wonderful week it was!

Athletes, I commend your sportsmanship and athletic abilities. Your participation in the games demonstrates that you are committed to prove what the MSO mission is about; to promote healthy lifestyle in the 50 plus population. On behalf of the board, I applaud you.

To our many volunteers, without the many hours that you dedicated towards the games, the games would not happen. The tireless efforts of the Kalamazoo Local Organizing Committee and all of its many volunteers provided the support needed to host successful games.

I would also like to congratulate all of the athletes who have qualified for the National Senior Games in Louisville, KY! Go for the Gold!

A thank you out as well to those who have provided financial support. You allow MSO to provide the essential components to continue to operate year after year.

With the memories of the 2006 Summer Games behind us, I invite you to join us for the Summer Games 2007/2008 in Oakland County.

Marye Miller

History

Michigan Senior Olympics (MSO) was founded in 1979. MSO is dedicated to providing wellness opportunities for the 50 plus population. This is the foundation for all MSO endeavors. More specifically, Michigan Senior Olympics has focused on enhancing the quality of life for seniors by providing and developing programs in physical fitness, nutrition, mental strength, enhancing of sport skills, and health and wellness.

Michigan Senior Olympics initially channeled its efforts into implementing the annual Summer Senior Olympics Games. The first games were hosted by the City of Pontiac at the Pontiac Silverdome. In the years after, the games have traveled to Farmington Hills, Southfield, Battle Creek, Holland, Warren, Frankenmuth, and Midland and Lansing was home to the 2003/2004 games and Kalamazoo was our host for 2005/2006. Oakland County will host the 2007/2008. Participation in the games continues to rise with current athletes numbering over 1,000. The number of spectators has also risen dramatically over the last several years.

Michigan Senior Olympics chose Gaylord as the backdrop for the 2001 Inaugural Winter Olympic Games. With over fifteen winter events offered, these games saw a ten percent increase in participation in their second year. In 2006 Oakland County hosted the Games and will again in early February 2006.

As a 501 © (3) non-profit organization, Michigan Senior Olympics operates through the generosity of corporate sponsors who share in the MSO vision. Such forward thinking corporate leaders who share the vision and realize that the senior market is one the fastest growing markets and will continue to grow even larger in the future. Sponsors have not only supported the games but have taken the opportunity to support the MSO health & wellness clinics, sports instructional clinics, senior leadership programs and more. This allows the sponsor to support local programs that promote good nutrition and physical fitness habits in the community as well as programs that educate, encourage, and motivate 50 plus adults to participate and enhance their skills and quality of life.

Michigan Senior Olympics is dispelling the myths of aging as well as serving as the impetus for the 50 plus population continue to maintain a healthy body, mind, and spirit. The result is a healthier and more productive life for us all.

MSO VOLUNTEERS

Michigan Senior Olympics includes a dedicated group of volunteers. They range from games organizers, membership recruiters, public relations specialists, sports advisors, fund-raisers, office assistance, and more. The strong and active volunteer corps is a vital component of MSO and it's years of success. MSO could not survive without the generosity of all the people who volunteer throughout the year.

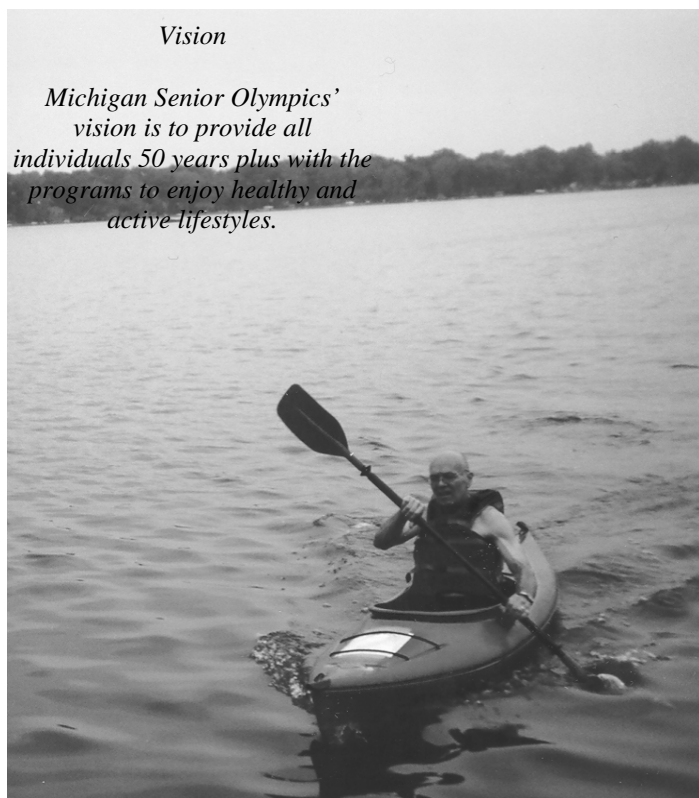

MSO Programs

Michigan Senior Olympics Inc. has been a leading advocate in the area of health, wellness, fitness, and nutrition for over 26 years. MSO has continually provided the mature adult population of Michigan with the information and opportunities to create or recreate a healthy, active lifestyle. The annual MSO games are an important part of the MSO program, but not the whole story.

MSO provides a number of programs to assist the 50 plus adult interested in advancing their quality of life. MSO provides programs in health, fitness, wellness, and nutrition; sports instruction; informational programs on a number of topics; a forum for local games organizers; tournaments and meets; “how-to” conferences; and advocacy.

Vision

Michigan Senior Olympics' vision is to provide all individuals 50 years plus with the programs to enjoy healthy and active-lifestyles.

◆ **Local Organizing Committee**

The local organizing committee organizes the MSO statewide games. This team is made up of dedicated individuals, organizations, and business from the local community where the games are taking place. They are responsible for the overall games setup including securing the venues, recruiting games volunteers, arranging hotel accommodations, and much more. The committee usually operates for two years the length of time MSO games are traditionally held in one location.

◆ **Local Games Coordinators**

Local games are held at different locations throughout the state. Local games coordinators are the organizers of these community games. MSO is bringing local games coordinators together to exchange ideas and information. The goal is to have everyone working in the senior sports movement communicating and assisting each other to strengthen all of the programs.

◆ **Board of Directors**

The Michigan Senior Olympics Board of Directors is a non-paid group of dedicated volunteers. They have maintained MSO for its last 26-plus years, without paid staff for the first 16 years and with minimal staff since then. To say that the Board of Directors is a working board is an understatement they are the force that keeps the organization functioning and successful in all of its programs. The tireless efforts of these women and men, in the worthy cause of better lives for seniors, are awesome.

◆ **Sports Committee**

Sports advisor athletes serve as representatives of their sport and as an advisory group for the planning of games, meets, and tournaments. They are experienced and knowledgeable in the rules, regulations, and techniques of their sport(s) of choice. The sports advisors give their opinions on rules and rule changes, as well as their ideas for improving the overall caliber of the organization. The committee members are from across the state, with the largest concentration from southeast Michigan.

◆ **Ambassadors**

MSO ambassadors are a group of athletes who serve as an information network throughout the state. Each ambassador represents his or her county. On a county wide basis, ambassadors promote the annual games, recruit members, serve as public relations liaisons, and more.

HAYES JONES NAMED HONORARY CHAIRPERSON FOR 2007/2008 MICHIGAN SENIOR OLYMPICS

OAKLAND COUNTY - Michigan Senior Olympics recently named Hayes Jones as Honorary Chairperson for the 2007/2008 Michigan Senior Olympics.

Jones was an internationally renowned world class athlete in the late 50s and early 60s. He won the bronze medal at the 1960 Olympic Games in Rome and four years later won the gold medal in the 110-meter hurdles in Tokyo.

"I am honored to serve as the chairperson for the Michigan Senior Olympics," Jones said. "As a former Olympian high hurdler, I am a strong advocate for seniors living healthy lives through physical fitness and activity. It makes such a difference."

The 2007 Michigan Senior Olympics will be held August 6-11 in Oakland County and take place near the Older Persons' Commission facility in Rochester.

"We are thrilled to have a community leader, former Olympian and spokesperson so personally committed to fitness," Marye Miller, chairperson of the Michigan Senior Olympics," said.

Jones, 64, a 1961 Eastern Michigan University graduate, recently resigned as director of the Oakland County Department of Economic Development & Community Affairs to run for State Representative in the 29th District.
