The Local Organizing Committee would like to thank all of the Event Commissioners for their hard work and dedication to the summer games. Without them, these games could not have taken place.

A Message from the MSO Board of Directors:

The 2008 Michigan Senior Olympics was very successful and exciting thanks to you, the Athletes. This year we had over 1,100 athletes participate and many are now eligible to go to Palo Alto, California at Stanford University to compete in the 2009 National Senior Games.

Crittenton Hospital Medical Center was our platinum sponsor. Please take the time to write and thank Lynn Orfgen, President and CEO 1101 W. University Drive, Rochester, MI 48307. There are more sponsors listed in this result book. Without our sponsors we could not put on the games. We are trying to keep the cost of registration reasonable but we must cover the cost of facilities, umpires, referees, registration books, result books, advertising, postage, supplies, office staff (one part time office manager, Mary Boes and one part time marketing/sponsorship director, Sheila Tinnion who do an outstanding job for you). Everyone else from the MSO Board, to the Local Organizing to the Event chairpersons and the over 400 volunteers give of their time and talent. So when you come next year and you see a volunteer thank them. If you know of a business or foundation who may be a sponsor please call Sheila at 248-608-0252 to let her know and she will be glad to follow up.

The Celebration of Athletes on Monday night was a huge success, thanks to Hayes Jones, a great motivator with a wonderful story to tell of his Olympic experience in winning the gold medal in high hurdles for the USA in Japan in 1964. We were also honored to have active soldiers from Selfridge Air Force base to present the colors that night.

All week watching the games was amazing with state records being broken in all events. The DanceSport competition at the Royal Park Hotel was an event to remember. We would like to thank Bob Northrop who provided the sound, judges, and computerized the scoring for the dance competition. We also would like to thank Melissa Muha, our emcee for the evening. Over 600 attended the event at the Royal Park Ballroom and enjoyed an outstanding dinner and competition.

MICHIGAN SENIOR OLYMPICS

History

Michigan Senior Olympics (MSO) was founded in 1979 and is dedicated to providing health and wellness opportunities for the 50 plus population. It's focused on enhancing the quality of life for the over 50 age group by providing and developing programs in physical fitness, nutrition, enhancing mental strength and sports skills.

Michigan Senior Olympics initially channeled its efforts into implementing the annual Summer Senior Olympics Games. Over the years the games were hosted by the Pontiac, Farmington Hills, Southfield, Battle Creek, Holland, Warren, Frankenmuth, Midland, Lansing, and Kalamazoo. Athletes participating in this year's games increased to 1,100 as did the increase in spectators. The last two years the games have been held in Oakland County and we are excited to announce they are going to be held in Oakland County for 2009, 2010 and 2011. Oakland University has graciously agreed to host many of the events on their beautiful campus for the next three years.

MSO is a 501 © (3) non-profit organization and continues its growth through the generosity of corporate sponsors who share the same Ideals. Sponsors not only support the games but also the valuable programs that are offered through the year that educate, motivate and encourage us to learn more skills.

Michigan Senior Olympics serves as an impetus for the 50 plus population to lead a more productive and better quality of life. 2009, MSO will celebrate its 30th year so we ask you to encourage friends and family to join with you and make this the best year ever.

Congratulations

MSO Programs

Michigan Senior Olympics Inc. has been a leading advocate in the area of health, wellness, fitness, and nutrition for over 29 years. MSO has continually provided the mature adult population of Michigan with the information and opportunities to create or recreate a healthy, active lifestyle. The annual MSO games are an important part of the MSO program, but not the whole story.

MSO provides a number of programs to assist the 50 plus adult interested in advancing their quality of life. MSO provides programs in health, fitness, wellness, and nutrition; sports instruction; informational programs on a number of topics; a forum for local games organizers; tournaments and meets; "how-to" conferences; and advocacy.

MSO VOLUNTEERS

Michigan Senior Olympics includes a dedicated group of volunteers. They range from games organizers, membership recruiters, public relations specialists, sports advisors, fund-raisers, office assistance, and more. The strong and active volunteer corps is a vital component of MSO and it's years of success. MSO could not survive without the generosity of all the people who volunteer throughout the year.

Board of Directors

The Michigan Senior Olympics Board of Directors is a non-paid group of dedicated volunteers. They have maintained MSO over the years without paid staff for the first 16 years and with minimal staff since then. To say that the Board of Directors is a working board is an understatement. They are the force that keeps the organization functioning and successful in all of it's programs. The tireless efforts of these women and men, in the worthy cause of better lives for seniors, are awesome.

Local Organizing Committee

The local organizing committee organizes the MSO statewide games. This team is made up of dedicated individuals, organizations, and business from the local community where the games are taking place. They are responsible for the overall games setup including securing the venues, recruiting games volunteers, arranging hotel accommodations, and much more. The committee usually operates for two years the length of time MSO games are traditionally held in one location.

Local Games Coordinators

Local games are held at different locations through out the state. Local games coordinators are the organizers of these community games. MSO is bringing local games coordinators together to exchange ideas and information. The goal is to have everyone working in the senior sports movement communicating and assisting each other to strengthen all of the programs.

Ambassadors

MSO ambassadors are a group of athletes who serve as an information network throughout the state. Each ambassador represents his or her county. On a county wide basis, ambassadors promote the annual games, recruit members, serve as public relations liaisons, and more.
