## A Message from the MSO Board of Directors

The 30<sup>th</sup> Annual Michigan Senior Olympics was a wonderful event for the 700 athletes who participated, many for the first time. Thanks again to all of the volunteers who helped make it happen. Watch for the schedule of clinics and programs throughout the year which will benefit you, the athlete, in learning new techniques or enhancing your skill level.

Michigan's economy has proved to be very tough not only for athletes to participate but for businesses to take advantage of sponsor opportunities. Therefore, we thank all the sponsors for being involved in MSO. By helping to keep the costs as low as possible, sponsorships enable MSO to provide scholarships for those not financially able to participate.

On reflection there were many highlights to this year's Olympics. Two athletes participated in their 90's, several in their 80's and set examples to all of us that we are never too old to fulfill our dreams. The Celebration of Athletes dinner was a treat from the Selfridge Honor Guard presenting the colors, followed by Betty Jones singing the national anthem, to Bill Laimbeer our guest speaker. The volunteers were so positive and helpful, but most of all the camaraderie and laughter that we could hear when we were at the competitions and social events was so uplifting, it made all the work very worth while. Thirteen percent of athlete surveys were returned to the MSO office and the comments were very welcome. Our goal for MSO qualifying year, 2010, is to follow up on some of the suggestions and address your critiques.

Once again we applaud you, the athletes, and ask that you continue your support of MSO. Enroll as a member, make a donation and provide a sponsor lead or encourage your friends to participate with you.  
Keep MSO strong!!!

Winter Festival will be January 25 -27, 2010. Hope to see you all then. Watch the MSO web site for more information.

## History

Michigan Senior Olympics (MSO) is a non profit organization that was founded in

1979. The MSO focus is on enhancing the quality of life for the over 50 age group by providing and developing programs in physical fitness, nutrition, enhancing mental strength and sports skills. Michigan Senior Olympics is a leading advocate in the senior health and fitness area for the past thirty years.

Michigan Senior Olympics has come a long way from a handful of people participating in the 1979 games at the Pontiac Silverdome to the 1,100 participants in the 2008 games. The games are going to be hosted in Oakland

County through 2011 with Oakland University continuing to host many of the events on campus.

MSO operates and continues to grow through the generosity of sponsors, local businesses, donations and membership fees. These funds not only support the games but also the clinics and programs which will benefit athletes at all levels of their sport.

Michigan Senior Olympics offers the 50 plus population competitive sports, an opportunity to lower the healthcare costs in the State of Michigan and a network of people with the same ideals and lifestyle. In 2010 MSO will continue to promote a healthy lifestyle for all the 50+ age group, keeping costs as low as possible and providing education and encouragement for all.

## Cycling for Seniors

**PriorityHealth**

Life just got a little easier™

Learn tips from the pros. The Priority Health Cycling Team is offering a cycling clinic to share their expertise with anyone interested in the sport. Get tips on sports nutrition, core conditioning and training, bike maintenance and much more.

The clinic will be held in the OPC auditorium, Tuesday, September 1, 6:30—8 :00 pm. There is no charge for the clinic and you can register online: [www.teampriorityhealth.com](http://www.teampriorityhealth.com)

**2010 Calendars will be available for purchase after November 1st for \$5.00 each in the MSO office.**

## Recycle Your Old Cell Phones

Please donate your cell phone and battery, no accessories, to MSO. Proceeds from the recycling will benefit Michigan Senior Olympics.

## **MSO PROGRAMS**

Michigan Senior Olympic summer and winter games are very important to MSO financially and play an important part in the MSO program because the participating athletes are a representation of the State of Michigan.

The MSO focus is on providing a way for the 50+ adult to maintain a healthy lifestyle year round. Tournaments and sports clinics are necessary because exercise has shown to be beneficial in many areas. More than 65% of American adults are not regularly active and 25% of the adult population is completely sedentary. The programs are scheduled on an annual basis in various locations throughout the State. The goal for 2010 is the expansion of program topics and geographic locations. MSO will continue to network with senior organizations, exercise facilities, financial advisors, nutrition and health care professionals to provide the necessary services of health and education. A Speakers Bureau has already been implemented which will be of tremendous help in securing guest speakers.

## **BOARD OF DIRECTORS**

The Michigan Senior Olympics Board of Directors is a non-paid group of dedicated volunteers. This year we have added new board members who have brought with them expertise in specific areas which will benefit MSO as a whole. As Board members they have one common goal and that is to provide the best programs possible for you, the athlete.

## **LOCAL ORGANIZING COMMITTEE**

The local organizing committee organizes the MSO Summer and Winter games. This committee is recruited from the local community where the games are taking place. In 2010 the games will once again be in Oakland County. The LOC responsibilities are many and include the recruiting of volunteers, overall games setup, securing venues, accommodations, and much more.

## **LOCAL GAMES COORDINATORS**

Local games are held at different locations throughout the state. Local games coordinators are the organizers of these community games. MSO is bringing local games coordinators together to exchange ideas and information. The goal is to have everyone working in the senior sports movement communicating and assisting each other to strengthen all of the programs.

## **AMBASSADORS**

MSO ambassadors are athletes who volunteer to promote MSO membership in his or her county. They also serve as public relations liaisons and communicate regularly with the MSO office. If you are interested in being part of our Ambassador group please contact the MSO office for further information.

**Saturday, October 17, 2009**

Since 2006 Macy's Shop For A Cause has partnered with non-profit organizations nationwide to raise more than \$28 million for their ongoing charitable efforts.

Purchase your Shopping Pass for \$5.00 at the MSO office prior to October 17th and receive all day savings storewide on an assortment of merchandise. MSO keeps 100% of the proceeds from the sale of the Shopping Passes. This is a wonderful fundraiser for MSO and a big savings to you!

## Why We Need Your Help

The increase in the population of 50+ adults now requires MSO to expand its fundraising efforts. Because of Michigan's economy this past year funding by the State of Michigan and sponsors has decreased, sponsors by 85% and the State 100% for 2010 (in 2009 we were awarded \$100,000 and the State cut it by \$20,000, May 2009). Next year they say there will be no funding for MSO.

Please contact your state legislators and ask them to reinstate the funding for Michigan Senior Olympics in the State budget in 2010.

**Beth Ambrose**

Many of you will have seen the wonderful quilt on display during the athlete registration. Mid year it was necessary for the MSO staff to sort thru the memorabilia and "vintage" t-shirts and then decide what to do with them. During that time Beth came into the MSO office and showed Mary Boes a reversible t-shirt quilt—lo and behold we had our quilt maker.

Beth and her husband Harold (also known as "H") are MSO volunteers who live in Rochester, have 4 children, 4 grandchildren and 2 great grandsons. Beth started sewing 10 years ago when they decided to go to Florida for the winter months. She met a group of 70 women who got together to do craft projects and Beth learned Swedish weaving. Then five years later another group of friends decided she needed to learn how to make a quilt for her first great grandson which led to learning how to make a t-shirt quilt. Lucky for MSO!

The quilt will be on display at the Winter festival and also in the Summer Olympics, July 12-21, 2010 when it will be raffled off.

Many thanks to Beth for all the hours and hard work she put into this quilt and for providing MSO athletes with a beautiful reminder of days gone by.

## National Senior Games Qualifying

To qualify for the National Senior Games to be held in Houston, Texas June 19 - July 5, 2011 or Cleveland in 2013 you must participate in a state game. The National Senior Games Association (NSGA) determines the qualifying sites and rules for every sport. You can find the rules for the sport on the NSGA web site [www.nsga.com](http://www.nsga.com). Each state's qualifying game must follow the rules set by NSGA. The state games must send to NSGA all eligible qualifiers from their games as stated by NSGA (Medal, Time, Distance etc.)

If you are an athlete that disagrees with the rules of your sport the only one that can change it is Nationals. My suggestion is send any changes you would like to NSGA, 8919 World Ministry Ave, *Baton Rouge, LA 70810* and then send us a copy. I am on the National Board and will always try to help make changes or add sports if possible. The procedure for requesting a sport and/or event be added to the National Games may be found in the '2009 National Senior Games Rule Book', Rule Q (page 10). Michigan has been instrumental in adding team sports; volleyball was the only team sport the first year of the games.
