## Message from the MSO Board of Directors

The 2010 Michigan Senior Olympic Summer games were a huge success with over 900 participants from Michigan, Ohio, Arizona and Texas. The athletes who participated had to deal with the extreme temperatures throughout July and they showed that they were competitive, fit and ready for their events.

There were many highlights during the Olympics from State records being broken to athletes in their nineties showing us that it was still their time to shine! What struck the MSO staff this time, and more than any other year, was the camaraderie among the athletes, whether it was providing a little motivation, helping with faulty equipment or even loaning a bike.

The social events, although a little smaller in attendance than in the past, were intimate and full of fun. Guest speakers knew each other from way back, which we did not know at the time, and had fun reminiscing about their athletic achievements. Lem Barney, Bobby Crim and Howard Myers all provided us with an insight into their athletic backgrounds and how important fitness and good health was to them. They were also very entertaining and were enjoyed by all!

All-in-all there are many people to thank this year - it was a difficult start to the MSO year with the passing of Mary Boes. Without the patience, help and encouragement from the athletes, the local organizing committee and volunteers, the games would not have been so successful. Once again we thank everyone of you and our sponsors for your support of MSO.

We look forward to providing quality programs throughout 2011 and congratulate the athletes who qualified for Nationals in Houston, Texas, 2011.

As always, we thank the athletes for their fortitude, good will towards each other and their celebration of life. They epitomize what MSO is all about and what it stands for.

Good Luck to all of you for the remainder of 2010. We look forward to a wonderful 2011.

### SPONSORS

With the economy about as poor as we've seen it in years, funding for MSO is even more critical to its success.

With the need for quality officials and venues, the costs escalate every year.

Unfortunately this year, we lost funding from the State of Michigan, which means our sponsors play an even bigger part in keeping MSO programs strong. We owe them our thanks. The best way to show our appreciation is to become regular patrons of their businesses whenever possible.

We are always looking to the business community to be a part of the various sponsorship opportunities that MSO has to offer. If you are interested in supporting MSO as a sponsor or, can recommend MSO to a business that would benefit from being part of the MSO organization, please contact Sheila Tinnion at 248-608-0252 or [sponsorship@michiganseniorolympics.org](mailto:sponsorship@michiganseniorolympics.org).

**National Senior Games**

**Qualifying**

To qualify for the National Senior Games, to be held in Houston, Texas June 16 - June 30, 2011 or Cleveland in 2013, you must participate in a state game. The National Senior Games Association (NSGA) determines the qualifying sites and rules for every sport. You can find the rules for the sport on the NSGA web site [www.nsga.com](http://www.nsga.com). Each state's qualifying game must follow the rules set by NSGA. The state games must send to NSGA all eligible qualifiers from their games as stated by NSGA (Medal, Time, Distance etc.)

The NSGA is the only organization that can change the rules of your sport. If you are an athlete that would like to see changes made, I would suggest sending them to **NSGA, 8919 World Ministry Ave, Baton Rouge, LA 70810** and then send us a copy. I am on the National Board and will always try to help make changes or add sports if possible. The procedure for requesting a sport and/or event be added to the National Games may be found in the 2009 National Senior Games Rule Book, Rule Q (page 10). Michigan has been instrumental in adding team sports; volleyball was the only team sport the first year of the games.

**Athletes Corner**

Larry and Carol Dean participated once again in the Summer Olympics. They said that they encountered a great group of athletes who gave it their all despite the hot weather. You could tell how dedicated they were by the amount of sweat on their brow. A good "warm up" for Houston!!! They thought the games were well organized and successfully conducted.

We welcome your ideas and thoughts for the News and Views. Email Sheila at the MSO office; [sponsorship@michigan-seniorolympics.org](mailto:sponsorship@michigan-seniorolympics.org)

**MSO Needs You!**

Michigan Senior Olympics includes a dedicated group of volunteers. They range from games organizers, membership recruiters, public relations specialists, sports advisors, fund-raisers, office assistance, web design, small wood working projects and more. MSO could not survive without the generosity of all the people who volunteer throughout the year.

MSO is also looking for scorekeepers, timers, etc., for the *Winter Games Festival* to be held January 29—February 3, 2011. Please call 248-608-0267 or email [volunteer@michiganseniorolympics.org](mailto:volunteer@michiganseniorolympics.org) if you would like to volunteer.
